I About your new card

Thank you for purchasing the Credit Union Prepaid Card, from ABCUL.

What is the Credit Union Prepaid Card?

The Credit Union Prepaid Card is a flexible, low-cost Visa Prepaid Card from ABCUL, the Association of British Credit Unions.

The card has been designed exclusively for credit union members and is available only from credit unions. We think you'll find it a great way to manage your money simply and safely.

How does it work?

The Credit Union Prepaid Card works like a pay-as-you-go Visa card. You 'load' money onto the card at your credit union, then use it to withdraw from ATMs or make purchases in person or online wherever Visa is accepted. You can also obtain cashback when you make purchases in person.

Who are ABCUL

The Credit Union Prepaid Card is brought to you by your credit union and the Association of British Credit Unions Ltd (ABCUL).

ABCUL is a not-for-profit, democratic membership organisation and is the main trade association for the credit unions in Britain. ABCUL provides a wide range of services to credit unions including information, representation and training.

2 Getting started →

2 Getting started

Now that you have your Credit Union Prepaid Card, this is what you need to do

Step 1: Get your access code and memorable word

Once you have your card, your 6-digit access code and memorable word will be sent to your mobile phone automatically by text message. Your memorable word may not be 'memorable' to start with, but you can change it in step 3.

Step 2: Activate your card and get your PIN

By phone: call customer services on 0207 263 3706. Enter your card number and access code. (see step 1) Your card will be activated automatically. Then select option 3 from the main menu to retrieve your PIN.

Or by text: to activate, text CUCARD ACTIVATE [then the access code followed by last four digits of your card number] to 57887. To retrieve your PIN, do the same but text CUCARD PIN instead.

Example: CUCARD ACTIVATE 123456 1234.

Step 3: Register on the cardholder website (optional)

Our cardholder website allows you to view and manage your account online. Register at www.mycarddetails.com/cucard, using your 16-digit card number, the 3-digit code on the back, and the memorable word you received in step 1. You will be able to change your memorable word once you've registered.
